

Spot the Difference

Jesus is calling Peter to walk on water. Peter trusted him and started to walk! Can you trust your eyes to find five differences between these two pictures?

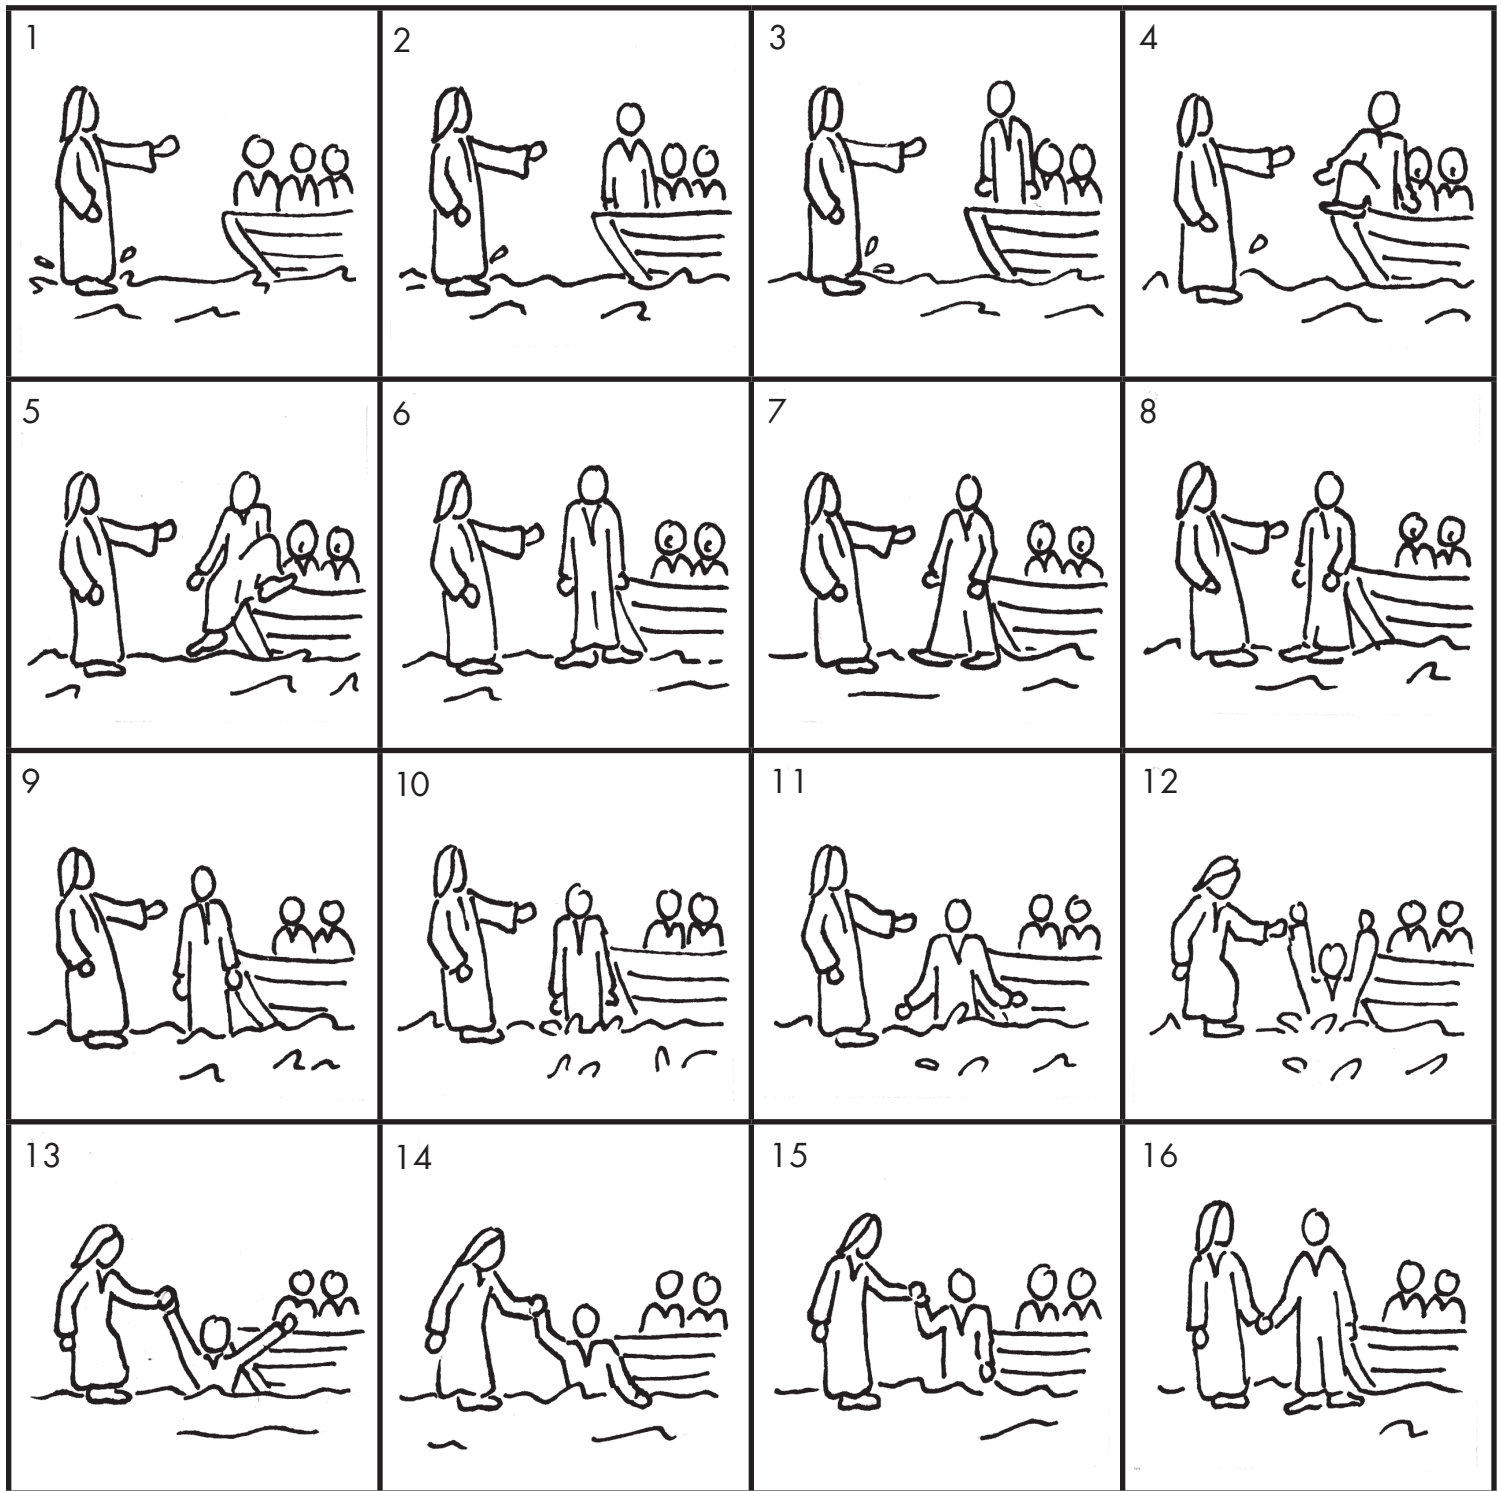

Spot the Difference SOLUTION

Jesus is calling Peter to walk on water. Peter trusted him and started to walk! Can you trust your eyes to find five differences between these two pictures?

Trusty Little Flip Book

Cut out each square, put them in order, and staple the top left edge. Then flip through the pages to watch the Walking on Water story in action!

It All Adds Up

Can you make it across the water to Jesus? Find a trustworthy math partner. Then try solving these problems together. If the answer is odd, color in the wave and keep going up or down, right or left. If the answer is even, you'll start to sink!
